ABOUT US

Basket Case Imports designs, sources and manufactures containers and supplies for growers, floral wholesalers and many other retail facilities. With over 30 years in the industry, we have the tools to assist you with your daily needs.

Aside from partnering directly with an extensive network of factories, BCI Plastixs items are manufactured exclusively for us, with our own moulds, raw materials and quality control. This ensures top of the line products at competitive prices.

We specialize in creating custom items suited to your needs. Enclosed, you'll find a variety of our available grower supplies.

Please feel free to contact us for any custom inquiries as we are always happy to develop a new product!

PRICING
